

ROLE OF SCHOOL DISTRICT ADMINISTRATION

In this series of the board policy manual, the board defines the role and the employment of school district administrators. Policies in the 400 Series, "Employees," also apply to administrators unless a more specific policy exists in the 300 Series, "Administration."

School district administrators have been given a great opportunity and responsibility to manage the school district, to provide educational leadership, and to implement the educational philosophy of the school district. They are responsible for the day-to-day operations of the school district. In carrying out these operations, the administrators are guided by board policies, the law, the needs of the students, and the wishes of the citizens in the school district community.

It is the responsibility of the administrators to implement and enforce the policies of the board, to oversee employees, to monitor educational issues confronting the school district, and to inform the board about school district operations.

While the board holds the superintendent ultimately responsible for these duties, the principals are more directly responsible for educational results, for the administration of the school facilities and for the employees.

The board and the administration will work together to share information and decisions under the management team concept.

MANAGEMENT

The board and the administrators will work together in making decisions and setting goals for the school district. This effort is designed to obtain, share, and use information to solve problems, make decisions, and formulate school district policies and regulations.

It is the responsibility of each administrator to fully participate in the management of the school district by investigating, analyzing, and expressing their views on issues. Those board members or administrators with special expertise or knowledge of an issue may be called upon to provide information. Each board member and administrator will support the decisions reached on the issues confronting the school district.

The board is responsible for making the final decision in matters pertaining to the school district.

It is the responsibility of the superintendent to develop guidelines for cooperative decision-making.

SUPERINTENDENT QUALIFICATIONS, RECRUITMENT, APPOINTMENT

The board will employ a superintendent to serve as the chief executive officer of the board, to conduct the daily operations of the school district, and to implement board policy with the power and duties prescribed by the board and the law.

The board will consider applicants that meet or exceed the standards set by the Iowa Department of Education and the qualifications established in the job description for the superintendent position. In employing a superintendent, the board will consider the qualifications, credentials and records of the applicants without regard to race, color, national origin, gender, disability, religion, creed, age, marital status, sexual orientation, or gender identity. In keeping with the law, however, the board will consider the veteran status of the applicants. The board will look closely at the training, experience, skill and demonstrated competence of qualified applicants in making its final decision.

In choosing a superintendent, the board will also consider the school district's educational philosophy, financial situation, organizational structure, education programs, and other factors deemed relevant by the board.

The board may contract for assistance in the search for a superintendent.

### SUPERINTENDENT EVALUATION

The board will conduct an ongoing evaluation of the superintendent's skills, abilities, and competence. At a minimum, the board will formally evaluate the superintendent on an annual basis. The goal of the superintendent's formal evaluation is to ensure the education program for the students is carried out, promote growth in effective administrative leadership, clarify the superintendent's role, clarify the immediate priorities of the board, and develop a working relationship between the board and the superintendent.

The superintendent will be an educational leader who promotes the success of all students by:

- Mission, Vision and Core Values: Develop, advocate and enact a shared mission, vision, and core values of high-quality education and academic success and well-being of each student.
- Ethics and Professional Norms: Act ethically and according to professional norms to promote each student's academic success and well-being.
- Equity and Cultural Responsiveness: Strive for equity of educational opportunity and culturally responsive practices to promote each student's academic success and well-being.
- Curriculum, Instruction and Assessment: Develop and support intellectually rigorous and coherent systems of curriculum, instruction and assessment to promote each student's academic success and well-being.
- Community Care and Support for Students: Cultivate an inclusive, caring and supportive school community that promotes the academic success and well-being of each student.
- Professional Capacity of School Personnel: Develop the professional capacity and practice of school personnel to promote each student's academic success and well-being.

The formal evaluation will be based upon the following principles:

- The evaluation criteria will be in writing, clearly stated and mutually agreed upon by the board and the superintendent. The criteria will be related to the job description and the school district's goals;
- At a minimum, the evaluation process will be conducted annually at a time agreed upon;
- Each board member will have an opportunity to individually evaluate the superintendent, and these individual evaluations will be compiled into an overall evaluation by the entire board;
- The superintendent will conduct a self-evaluation prior to discussing the board's evaluation, and the board as a whole will discuss its evaluation with the superintendent;
- The board may discuss its evaluation of the superintendent in closed session upon a request from the superintendent and if the board determines its discussion in open session will needlessly and irreparably injure the superintendent's reputation; and,
- The individual evaluation by each board member, if individual board members so desire, will not be reviewed by the superintendent. Board members are encouraged to communicate their criticisms and concerns to the superintendent in the closed session. The board president will develop a written summary of the individual evaluations, including both the strengths and the weaknesses of the superintendent, and place it in the superintendent's personnel file to be incorporated into the next cycle of evaluations.

This policy supports and does not preclude the ongoing, informal evaluation of the superintendent's skills, abilities and competence.

Program Duration

The Board will review the feasibility of this policy annually. By January 1 of each year, the Board will make a determination as to whether or not an Early Retirement Program will be offered and, if so, the benefits to be provided and, if an incentive payment is to be paid, the amount of that payment. In making its decision, the Board will consider the District's financial needs, staffing considerations, student enrollment, and possible savings. Therefore, the North Butler Community School District does not guarantee its administrators that this Early Retirement Program will continue or that the District will have such a program in the future.

The Board shall have the complete discretion to amend or repeal this policy at any time when, in the judgment of the Board, the District no longer realized economical benefits from this policy or otherwise determines that the policy is not in the best interest of the District.

I. ADMINISTRATOR ELIGIBILITY CRITERIA

A certified administrator first becomes eligible to participate in the Program during the calendar year when both of the following conditions will have been reached on or before September 1.

- the administrator reaches a minimum age of fifty-five (55)
- the administrator completes at least fifteen (15) years of full-time continuous service to the North Butler Community School District. (Full-time is more than thirty-five (35) hours per week).

However, no administrator will be eligible for this Early Retirement Program if the administrator:

- 1) has received an official notice of layoff or termination; or
- 2) is subject to termination pursuant to Iowa Code Section 279.15 or 279.27;
- 3) has previously received an Early Retirement Incentive from North Butler Community Schools, Allison-Bristow Community Schools or Greene Community Schools.

VOLUNTARY EARLY RETIREMENT PROGRAM (2)

II. QUALIFYING FOR PLAN

An eligible administrator qualifies for this Early Retirement Program upon completion of the following requirements:

- 1) prior to FEBRUARY 5, submission of a written application to the Board Secretary to participate in this plan; and
- 2) submission of a written resignation to the Board of Education, effective at the end of the school year, submitted on the same day as the written application to participate in the program; and
- 3) the Board's acceptance of the written resignation. The resignation will not be binding unless the administrator is eligible and appropriately qualifies under the plan and the Board accepts the administrator's written resignation. The Board's acceptance of the written resignation will be considered final action and shall mean that the administrator's application is accepted and the administrator's contract and employment duties will end on the last day of the current fiscal year.

In all cases, completion of the above requirements is demonstrated by certification by the Board Secretary.

III. ADMINISTRATOR BENEFITS

Incentive

The District will provide an eligible certified administrator with an Early Retirement Incentive which is calculated as follows:

- 1) Calculate the rate which is 45% of the administrator's salary for their last year of employment with the District. (An administrator's rate shall not include any compensation in addition to the salary amount. For example, supplemental salary pay, negotiated flat fee amounts added to the generator base pay, pay for extended days, extracurricular activities and professional development monies shall not be included.)
- 2) Determine the administrator's year of eligibility for participation in this or a previous early retirement program(s).

Payment

An Early Retirement Program participant will receive payment through a Special Pay Deferral Program that provides both the retiree and the school district the ability to be excluded from the requirement to pay the FICA (Social Security) tax on the benefit. All retirees eligible for the district Early Retirement Program will be required to participate in the special pay deferral program. However, if the eligible retiree chooses to remain on the school district's health insurance plan than the eligible retiree will be required to participate in a Health Reimbursement Arrangement Trust.

Payments will be made by the district on behalf of the retiree to the Special Pay Deferral Program Administrator or the Health Reimbursement Arrangement Trust in a timely manner so that the retiree will be able to access their benefit in accordance with board policy 407.6.1. The payments will be made either in a lump sum at the time of qualification or over a period of time that will be not less than three (3) years.

VOLUNTARY EARLY RETIREMENT PROGRAM (3)

The payments will be made as follows:

- 1<sup>st</sup> payment on or before July 10, in the first fiscal year of retirement;
- 2<sup>nd</sup> payment on or before January 10, in the first fiscal year of retirement;
- 3<sup>rd</sup> payment on or before July 10, in the second fiscal year of retirement;
- 4<sup>th</sup> payment on or before January 10, in the second fiscal year of retirement;
- 5<sup>th</sup> payment on or before July 10, in the third fiscal year of retirement;
- 6<sup>th</sup> payment on or before January 10, in the third fiscal year of retirement;

In the event of the death of an Early Retirement Program participant prior to receipt of a payment(s), one payment shall be made to the participant's estate or to the beneficiary identified by the program participant.

Health Insurance

An administrator who elects to participate in the District's Early Retirement Program will be eligible to continue participation in the District's group health insurance plan as long as they pay the premium in full when it is due and they are permitted to continue coverage by the insurer until they reach the age that enables them to be medicare eligible. The administrator will be required to participate in the district provided Health Reimbursement Arrangement Trust.

VOLUNTARY EARLY RETIREMENT PROGRAM (4)

IV. ADMINISTRATOR RIGHTS

In the event this Early Retirement Program is altered or discontinued, persons who separated from the employment with the District under its provisions will continue to receive the benefits in effect and authorized by the Board of Education at the time the administrator's letter of resignation was accepted.

The adoption of this Early Retirement Program shall not vest any rights in any administrator whether or not the administrator is currently eligible for early retirement. Furthermore, the District shall not be obligated to provide any Program benefits to any administrator, except to those Early Retirement Program participants whose early retirement pursuant to this plan has commenced prior to its expiration date.

V. STATUS OF PARTICIPANTS

An administrator who elects to participate in the District's Early Retirement Program will become a retired administrator and will be entitled to all rights and privileges of retired administrator under applicable law and the policies of the North Butler Community School District Board of Education.

However, Early Retirement Program participants shall not be eligible to apply for any position with the North Butler Community School District; nor shall the North Butler Community School District be required to consider an application for employment from any Early Retirement Program participant; provided however, that, at the sole discretion of the District Board of Directors, when it is in the best interest of the District, the Early Retirement Program participant may be employed by the District.

Each administrator who elects to participate in the District's Early Retirement Program must specifically agree to hold the District harmless and indemnify it if the participant attempts to submit an application for employment or otherwise attempts to be reemployed with the District. The participant is not precluded in any way from accepting employment with any employer other than the District after fulfilling the terms of the employee's final contract with the District.
